## Comments

We will have a lot going on in the 20 days of school until we begin our Christmas vacation. The annual movie at the Ritz Theater, PTO Christmas concert, Advent activities, Christmas preparations, and our class party just to name a few things we have ahead of us. It is difficult to stay focused, but we must do just that. We will balance out the work stuff with the fun stuff and be just fine!!!!

## Homework

We will be continuing our exploration of "Me & Uncle Romie" and work on our collages. Bring in some pictures/items for collage.
