

**Do you shop at any of these places?**

**(or over 800 other retailers like these)**

**Then let them pay your tuition for you!**

Find out how our SCRIP program can turn your everyday purchases into tuition credits from hundreds of different retailers.

It's easy and free, and the dollars and cents add up quickly!

*You can start right away. All credit earned from now until the end of June is applied to the 2022/2023 school year tuition bill.*

***Use Scrip for your everyday purchases and earn money toward your tuition! It's simple:***

- Instead of paying cash or credit for everyday purchases, pay with gift cards that you buy at shopwithscrip.com. These can be physical cards, reloads of existing gift cards, or digital gift cards that are available in seconds!
- You pay and receive equal value – a \$50 gift card costs you \$50 and is worth \$50
- Each retailer has a different credit percentage that goes into your Scrip tuition account. This accumulates all year and then is credited to your tuition bill in July.

***For example:***

- You buy a \$25 Old Navy gift card. It costs you \$25 and is worth \$25 at the store or online, just like any other gift card.
- However, since you bought it through Scrip, Old Navy will give you a 14% rebate! There will be \$3.50 credited to your child's tuition account.

It really is that simple! With over 800 retailers, you can earn tuition almost everywhere you shop – from Amazon, Sheetz, Walmart, Applebee's etc...! There are even lots of local businesses on Scrip, so you can earn at places like Old Town Road Dairy and Mabel's Pizza too.
