

# RaiseRight™

- ❖ RaiseRight allows families to earn money to help off-set the cost of tuition by paying for everyday purchases using gift cards in place of cash, checks, and credit cards. You purchase gift cards at face value and your coordinator orders those cards from RaiseRight and local businesses at a reduced price. The difference is an instant rebate that will reduce your tuition bill for the following school year. It's really that simple!
- ❖ RaiseRight offers more than 700 of the country's biggest retailers and over 30 local businesses, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more.
- ❖ Friends and family can participate too by creating their own account. Just by using RaiseRight to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

# RaiseRight™

***Use RaiseRight for your everyday purchases and earn money toward your tuition! It's simple:***

- Instead of paying cash or credit for everyday purchases, pay with gift cards that you buy at raiseright.com. These can be physical cards, reloads of existing gift cards, or digital gift cards that are available in seconds!
- You pay and receive equal value – a \$50 gift card costs you \$50 and is worth \$50.
- Each retailer has a different credit percentage that goes into your tuition account. This accumulates all year and then is credited to your tuition bill in July.

*For example:*

- You buy a \$25 Old Navy gift card. It costs you \$25 and is worth \$25 at the store or online, just like any other gift card.
- However, since you bought it through RaiseRight, Old Navy will give you a 14% rebate! There will be \$3.50 credited to your child's tuition account.

It really is that simple! With over 800 retailers, you can earn tuition almost everywhere you shop – from Amazon, Sheetz, Walmart, Applebee's etc...! There are even lots of local businesses as well, so you can earn at places like Old Town Road Dairy and Mabel's Pizza too.
